WATER RESISTANT COATING

Cementitious Waterproof Coating

FEATURES & BENEFITS

- ✔ Shrinkage– Non-shrink even after curing, prevents from cohesive & adhesive failure on exposure.
- ✔ Application– Applied as one-time filling (does not require second time application, as required in other acrylic sealants).
- ✔ User-friendly– One pack, very soft paste, easily applicable by fingers or putty knife.
- ✔ Sagging– Non-sag nature helps in filling of vertical & overhead cracks.
- ✔ Sanding– No sanding is required.
- ✔ Staining– Does not migrate any liquid component into concrete surface thus prevents staining.
- ✔ Adhesion– Excellent adhesion to cementitious surfaces prevents water leakages through the cracks.
- ✔ Durability– UV & weather resistance properties increase the life expectancy of the surface.
- ✔ Paintability– Easily paintable after 5-6 hours of application.
- ✔ Non-toxic- It is non-toxic hence user-friendly.

Water Based PU Coating

We are offering Dr. Fixit Concrete Guard Midtone Base Waterproofing Coating 20 Litre to our clients.

FEATURES

- ✔ Brand : Dr Fixit
- ✔ Form : Liquid
- ✔ Usage :Industrial
- ✔ Type :Water Based Anti Carbonation Coating
- ✔ Packing Size :20 Litre

Solvent Based PU Coatings

We are successfully meeting the varied requirements of our clients by providing the best quality range of PU Based Floor Coating.

FEATURES

- ✔ No Shrinkage
- ✔ Anti static
- ✔ Excellent Adhesion

PU Injection Grouting

PU grouting is a specialised technique that involves the injection of expanding polyurethane to stop any water flowing down or through cracks or to fill voids under slabs, concrete joints or behind concrete walls and joints.

FEATURES

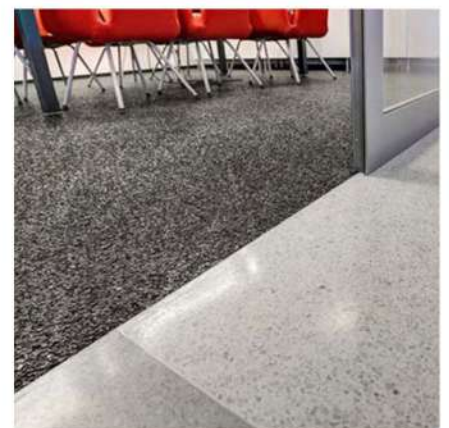

- ✓ Highly durable
- ✓ Advance quality
- ✓ Economical price

Epoxy Flooring

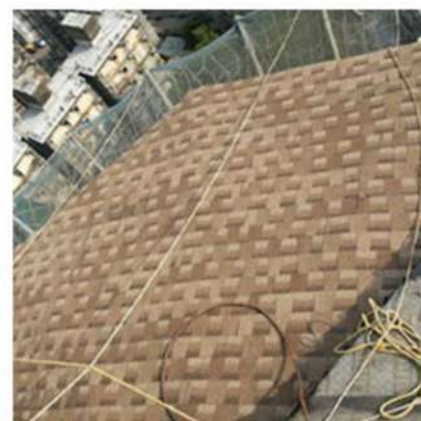

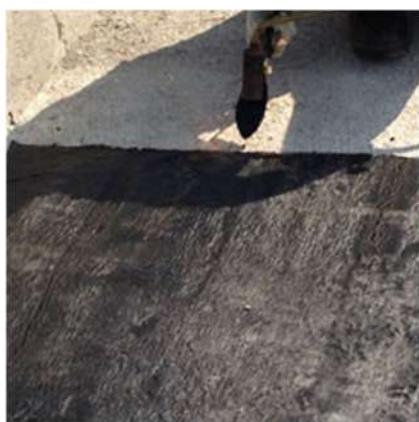

This specific self-leveling Epoxy Flooring is considered ideal for providing dustproof, clean & hygiene surface to the floor. As such, the range is highly used in numerous pharmaceutical units, operation theaters, and food factories. Our premium quality, easy to clean self-leveling epoxy flooring is also extensively used in TV picture tube manufacturing units and many more.

FEATURES

- ✓ Main Raw Material: Epoxy
- ✓ Usage: Industrial and commercial
- ✓ Colors: As per customer requirement
